Mr. John San Yuca Drew University of Medicine and Science 1621 East 120th Street Los Angeles, CA 90059

Dear Mr. San Yuca:

PLAN CHECK NO. 7726

The Zoning Ordinance (Title 22 of the Los Angeles County Code) relating to adequate highway or street width requires, with certain exceptions, that before any lot which adjoins a highway, street, or alley can be used, any right-of-way necessary for widening of the half of the road adjoining the lot must be dedicated and any necessary road improvements must be constructed in conformity with Department standards.

Your application located at 11827-29 Holmes Avenue is subject to the provisions of the Zoning Ordinance. Therefore, before the site can be used, the requirements on the enclosed "Agreement to Improve" must be satisfied.

Please execute and return the enclosed Deed and Agreement to Improve to the Building and Safety Division prior to the issuance of your building permit. The signature on the documents must be notarized. A copy of the Deed and the Agreement to Improve is also enclosed for your files.

A permit will be required from the Construction Division for the road work. It is suggested that any plans needed for obtaining the permit be submitted as soon as possible to allow maximum time for processing. Additional information regarding procedures and requirements may be obtained by contacting Mr. Roland Jones at (818) 458-4909.

Very truly yours,
